

# Michelle Lane

**2024 Adult  
Honoree  
Cocke  
County**

When Hurricane Helene struck, Michelle Lane's business and family were both directly impacted, yet her first instinct was to help others. Undeterred by her own challenges, she single-handedly created a system to identify individuals in need and mobilize volunteers, supplies, and resources to them as quickly as possible. Through her tireless dedication, Michelle has played a pivotal role in aiding hundreds of locals affected by the floods, sacrificing her own time and resources to ensure others had what they needed. Her commitment and selflessness have made a profound difference in our community.

She is and example of the BEST of US!
